<p>300.201 Consistency with State policies. The LEA, in providing for the education of children with disabilities within its jurisdiction, must have in effect policies, procedures, and programs that are consistent with the State policies and procedures established under 300.101 through 300.163, and 300.165 through 300.174.</p>	<p><u>10.16.3220 PROGRAM NARRATIVE</u> (1) Each local educational agency or education cooperative must have on file with the Superintendent of Public Instruction a written program narrative that describes policies and procedures used for the provision of special education and related services within the local educational agency or education cooperative. <p>300.202 Use of amounts. (a) General. Amounts provided to the LEA under Part B of the Act--</p> <p>(1) Must be expended in accordance with the applicable provisions of this part;</p> <p>(2) Must be used only to pay the excess costs of providing special education and related services to children with disabilities, consistent with paragraph (b) of this section; and</p> <p>(3) Must be used to supplement State, local, and other Federal funds and not to supplant those funds.</p> <p>(b) Excess cost requirement.</p> <p>(1) General.</p>		

Federal Regulations (34 CFR 300)	Montana Administrative Rules (ARM) and/or State Statutes	Policies and Procedures
<p>(i) The excess cost requirement prevents an LEA from using funds provided under Part B of the Act to pay for all of the costs directly attributable to the education of a child with a disability, subject to paragraph (b)(1)(ii) of this section.</p> <p>(ii) The excess cost requirement does not prevent an LEA from using Part B funds to pay for all of the costs directly attributable to the education of a child with a disability in any of the ages 3, 4, 5, 18, 19, 20, or 21, if no local or State funds are available for nondisabled children of these ages. However, the LEA must comply with the nonsupplanting and other requirements of this part in providing the education and services for these children.</p> <p>(2)(i) An LEA meets the excess cost requirement if it has spent at least a minimum average amount for the education of its children with disabilities before funds under Part B of the Act are used.</p> <p>(ii) The amount described in paragraph (b)(2)(i) of this section is determined in accordance with the definition of excess costs in 300.16. That amount may not include capital outlay or debt service.</p> <p>(3) If two or more LEAs jointly establish eligibility in accordance with 300.223, the minimum average amount is the average of the combined minimum average amounts determined in accordance with the definition of excess costs in 300.16 in those agencies for elementary or secondary school students, as the case may be.</p>		
<p>300.203 Maintenance of effort.</p> <p>(a) General. Except as provided in 300.204 and 300.205, funds provided to an LEA under Part B of the Act must not be used to reduce the level of expenditures for the education of children with disabilities made by the LEA from local funds below the level of those expenditures for the preceding fiscal year.</p> <p>(b) Standard.</p> <p>(1) Except as provided in paragraph (b)(2) of this section, the SEA must determine that an LEA complies with paragraph (a) of this section for purposes of establishing</p>

<p>the LEA's eligibility for an award for a fiscal year if the LEA budgets, for the education of children with disabilities, at least the same total or per capita amount from either of the following sources as the LEA spent for that purpose from the same source for the most recent prior year for which information is available:</p> <ul style="list-style-type: none"> <li>(i) Local funds only.</li> <li>(ii) The combination of State and local funds.</li> </ul> <p>(2) An LEA that relies on paragraph (b)(1)(i) of this section for any fiscal year must ensure that the amount of local funds it budgets for the education of children with disabilities in that year is at least the same, either in total or per capita, as the amount it spent for that purpose in the most recent fiscal year for which information is available and the standard in paragraph (b)(1)(i) of this section was used to establish its compliance with this section.</p> <p>(3) The SEA may not consider any expenditures made from funds provided by the Federal Government for which the SEA is required to account to the Federal Government or for which the LEA is required to account to the Federal Government directly or through the SEA in determining an LEA's compliance with the requirement in paragraph (a) of this section.</p>		
<p>300.204 Exception to maintenance of effort. Notwithstanding the restriction in 300.203(a), an LEA may reduce the level of expenditures by the LEA under Part B of the Act below the level of those expenditures for the preceding fiscal year if the reduction is attributable to any of the following:</p> <ul style="list-style-type: none"> <li>(a) The voluntary departure, by retirement or otherwise, or departure for just cause, of special education or related services personnel.</li> <li>(b) A decrease in the enrollment of children with disabilities.</li> <li>(c) The termination of the obligation of the agency, consistent with this part, to provide a program of special education to a particular child with a disability that is an exceptionally costly program, as determined by the SEA, because the child-- <ul style="list-style-type: none"> <li>(1) Has left the jurisdiction of the agency;</li> <li>(2) Has reached the age at which the obligation of the</li> </ul> </li> </ul>

<p>300.205 Adjustment to local fiscal efforts in certain fiscal years.            (a) Amounts in excess. Notwithstanding 300.202(a)(2) and (b) and 300.203(a), and except as provided in paragraph (d) of this section and 300.230(e)(2), for any fiscal year for which the allocation received by an LEA under 300.705 exceeds the amount the LEA received for the previous fiscal year, the LEA may reduce the level of expenditures otherwise required by 300.203(a) by not more than 50 percent of the amount of that excess.            (b) Use of amounts to carry out activities under ESEA. If an LEA exercises the authority under paragraph (a) of this section, the LEA must use an amount of local funds equal to the reduction in expenditures under paragraph (a) of this section to carry out activities that could be supported with funds under the ESEA regardless of whether the LEA is using funds under the ESEA for those activities.            (c) State prohibition. Notwithstanding paragraph (a) of this section, if an SEA determines that an LEA is unable to establish and maintain programs of FAPE that meet the requirements of section 613(a) of the Act and this part or the SEA has taken action against the LEA under section 616 of the Act and subpart F of these regulations, the SEA must <i>prohibit</i> the LEA from reducing the level of expenditures under paragraph (a) of this section for that fiscal year.            (d) Special rule. The amount of funds expended by an LEA for early intervening services under 300.226 shall count toward the maximum amount of expenditures that the LEA may reduce under paragraph (a) of this section.</p>

<p>300.203 or any other provision of Part B of the Act, an LEA may use funds received under Part B of the Act for any fiscal year to carry out a schoolwide program under section 1114 of the ESEA, except that the amount used in any schoolwide program may not exceed--</p> <p>(1)(i) The amount received by the LEA under Part B of the Act for that fiscal year; divided by</p> <p>(ii) The number of children with disabilities in the jurisdiction of the LEA; and multiplied by</p> <p>(2) The number of children with disabilities participating in the schoolwide program.</p> <p>(b) Funding conditions. The funds described in paragraph (a) of this section are subject to the following conditions:</p> <p>(1) The funds must be considered as Federal Part B funds for purposes of the calculations required by 300.202(a)(2) and (a)(3).</p> <p>(2) The funds may be used without regard to the requirements of 300.202(a)(1).</p> <p>(c) Meeting other Part B requirements. Except as provided in paragraph (b) of this section, all other requirements of Part B of the Act must be met by an LEA using Part B funds in accordance with paragraph (a) of this section, including ensuring that children with disabilities in schoolwide program schools--</p> <p>(1) Receive services in accordance with a properly developed IEP; and</p> <p>(2) Are afforded all of the rights and services guaranteed to children with disabilities under the Act.</p>		
<p>300.207 Personnel development.</p> <p>The LEA must ensure that all personnel necessary to carry out Part B of the Act are appropriately and adequately prepared, subject to the requirements of 300.156 (related to personnel qualifications) and section 2122 of the ESEA.</p>
